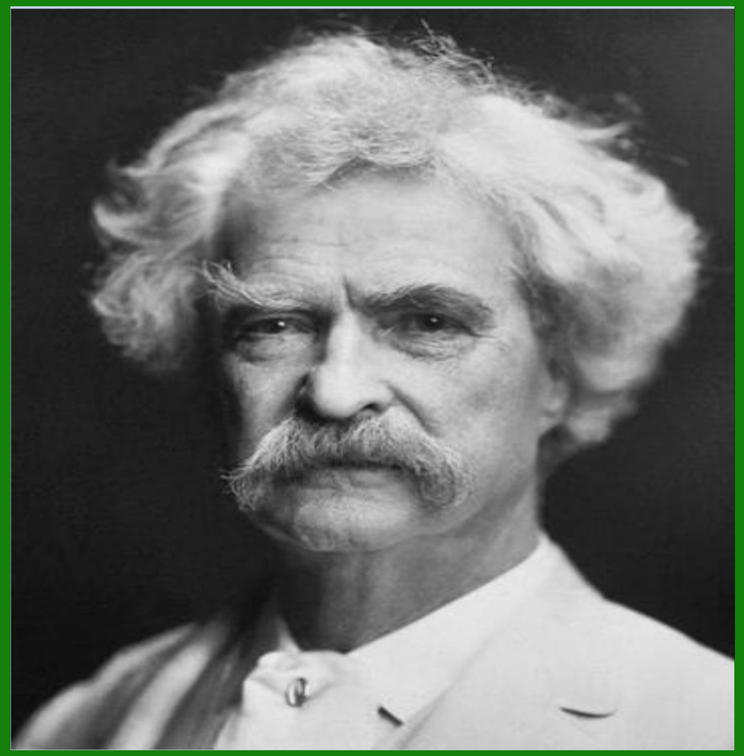
Mark Twain



The U.S. author Mark Twain wrote stories of youthful adventures. His stories are treasured by readers around the world. He created Tom Sawyer, Huck Finn, and other memorable characters.

Twain's real name was Samuel Langhorne Clemens. Mark Twain was the name he used as a writer. He was born on November 30, 1835, in the small town of Florida, Missouri. When he was 4 years old he moved with his family to Hannibal, Missouri, on the Mississippi River.

In 1847 Samuel's father died. From then on Samuel had to help support the family.

In the 1870s Twain settled with his family in Hartford, Connecticut. There he wrote his most famous books. He used his experiences growing up on the Mississippi River to write many of his stories. His novel The Adventures of Tom Sawyer (1876) is a story about a boy and his friends in a small river town. The Adventures of Huckleberry Finn (1884) tells of a boy's adventures as he floats down the Mississippi on a raft. Huckleberry Finn was his best book.

Late in life Twain lived mainly in Europe with his family. He died in Redding, Connecticut, on April 21, 1910.
